

The National Holiday Carnival

Ladies' Aid Society Will Give Unique Entertainment.

The Ladies Aid Society of the Church of the Covenant, assisted by members and friends of the church, have been for several weeks making elaborate preparations for a "National Holiday Carnival." This carnival is unique for the reason that it is entirely original, never having been given in any part of the world.

Each holiday will be represented by a booth, decorated with appropriate colors and furnished with articles for sale. An unusually interesting program has been prepared, the best talent in the city having been procured for the occasion. The money received for this carnival will be used in the furnishings of the church, which has been so generously given to the people of Bisbee by members of the C. Q. Co. The ladies feel that in no way may the people of Bisbee show their appreciation for one of the many advantages given to our city, by members of the C. Q. Co., than by taking a personal interest in this carnival, either by donation or a visit to the carnival, which will be made as beautiful as hands and brain can contrive.

In the "Christmas" booth every variety of needle work imaginable may be purchased. Santa Claus will preside over the Christmas tree loaded with toys for the children. "Uncle Sam" and the Goddess of Liberty, in the "Fourth of July" booth, will sell red lemonade, fruit punch, candies and ice cream. The May Queen, with her May pole, will reign supreme among palms, ferns and cut flowers, while nearby George and Martha Washington will captivate the hearts of "Ye Old People."

If you want to see real live ghosts and have your fortune told, "The Witch of Endor" will be able to interest you, as she mixes in her cauldron, "Eye of newt,"

And toe of frog,
Wool of bat
And tongue of dog."

If you were never fooled in your life you must expect to be at the "April Fool" booth, where you will get your money's worth, or money refunded. The "Easter Booth" must needs be seen to be appreciated.

When your soul has been thrilled with music, your eyes satisfied with the beautiful scenery, and your pocketbook is as light as your heart, then sit down to the "Thanksgiving Dinner," a feast, not for the gods, but for weak humanity, which prefers to dine on something more substantial than ambrosia.

This dinner will be served from 4 o'clock in the afternoon until the "wee sma' hours," if you so desire.

If you are Irish, and have a tender spot for St. Patrick, watch for the "Shamrock," which will direct you to the right table.

If in love with your best friend's sister, or your wife, perchance, you may have "heart to heart" talks at "St. Valentine's" bower.

The old soldier may bring his friends and grandchildren to the "Decoration Day" table, and sit under the folds of "Old Glory" as he tells of the times when he feasted on hardtack and bacon.

If you wish to donate to one or all of these booths, kindly inform the committee in charge.

READ IT THROUGH.

"My baby took a dreadful cold, and at one time I feared she would have pneumonia, but one of my neighbors told me how this remedy had cured her little boy, and I began giving it to my baby at once, and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I can not recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by all druggists.
